

Minutes of the City of Cando Board of Equalization Meeting

The Cando City Council met as a Board of Equalization on Tuesday, April 16, 2023, at 6:46 pm at the Towner County Courthouse. Councilors Halverson, Bjornstad, Olson, Klingenberg, Scott, Miller and Director of Tax Equalization, Sheri Leas were present, with Mayor Bjornstad presiding.

Director of Tax Equalization, Sheri Leas went through a Power Point Presentation she had prepared for the council about property taxes and the process that happens for figuring out property taxes. She explained that some of the differences that may be noticed are due to the updated software they are now using that went from the 2008 software to 2020 software. She explained to the council that the State has a Sales Ratio that everyone must meet. Currently, the City of Cando is sitting in the Sale Ratio threshold of 90 to 100%, which fulfills the state requirements.

With no one from the public attending the Board of Equalization meeting, sharing any concerns or questions, Mayor Bjornstad adjourned the meeting at 7:00 p.m.

Ian Knutson, Recorder
